## *Here's how it works:*

- The New Student Referral Program is open to all parents and legal guardians with students enrolled in Pre-K through grade 12 at Brooklyn Amity School, and to Brooklyn Amity School teachers.
- Tuition credit awards will be given for referring new families to the school. To qualify for the incentive, referred students cannot themselves be or have a sibling currently or previously enrolled in Brooklyn Amity School (Siblings are subject to other discounts), and the family cannot already be included in the Brooklyn Amity School Prospective Family Database.
- To qualify, referrals must be acknowledged during the application process.
- All new students must meet standard enrollment criteria.
- Tuition credits will be applied in the following manner:
  - If a referred student begins at the start or until December of the school year, credit will be applied to the referral family in June.
  - If a referred student starts between January and May, tuition credit to the referral family will be applied in September, if the student remains enrolled at Brooklyn Amity School the following school year.
- Families, who have already paid their tuition in full as well as teachers making referrals, will receive an incentive check equal to the amount of the tuition credit.
- For any additional questions, please contact the Finance Office, (718) 891-6100, ext. 135 or at [finance@amityschool.org](mailto:finance@amityschool.org)
- If a prospective family has been referred by more than one Brooklyn Amity School family, the referral award will be given to the family the prospective family names in the application.

\* There is a maximum of \$2000 in tuition credit per school year. The credit is a one-time issue and required the referred student to be enrolled for a minimum of one full year; no credit will be issued for re-admission or for renewals. The Student Referral Incentive Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Principal.
